PIZZAZZ™

OUT OF THE UNMITIGATED GOODNESS OF OUR HAPPY LITTLE HEARTS WE'VE CREATED A BRAND NEW MAGAZINE IN THE SAME FUN-LOVIN' STYLE-- BUT DONE IN THE MIND-BLOWING MARVEL MANNER-- A POWERHOUSE OF PHANTASMAGORIC PHEATURES (OUCH!) WHICH COULD ONLY BE CALLED-- **PIZZAZZ!**

**POSTERS, PUZZLES,
SPORTS AND STORIES
AND EVERYTHING!**

YEAH! STAN
SAYS IT'S FULL
OF FUN!

PIZZAZZ™

Check it out — PIZZAZZ will pack every issue with crazy caricatures of today's stars, panicky parodies of TV shows and commercials, plus comical cartoons and satirical strips ... reviews and previews (opinions you can trust) of movies, TV, records, books, new products, fads and fashions.

Get a front-row seat to your kind of sports with illustrated features on skateboarding, baseball, football, basketball, horse shows.

Be a-mazed with the Fun and Games section of puzzles, codes and mazes ... the pull-out Personality Poster with a write-in date calendar ... iron-ons and three new dynamite comics featured only in PIZZAZZ.

Dr. Dooms cracks up (your friends will, too) when you reel off the newest PIZZAZZ puns and riddles. Then meet Dr. Strange's Apprentice, a magical mortal who shows you how to do amazing tricks and mystical illusions.

Scare your buttons off with Tales of the Supernatural and Fables for our time. Then witness the Myths of Mighty Thor and feast your eyes on some short stories you just won't forget!

Look into the future (yours!) and see what glorious and ghoulish fates await. Enter your dreams in "The Dream Dimension" and see them illustrated by top Marvel fantasy artists. And if you want to comment, ask a question or just marvel at our great new magazine, write to the Publisher or the Editor and get an answer from your old friend Stan Lee or your new pal, Bobby Miller.

So, gang, whatever it is you like to laugh about, think about, dream about ... we write about. To amuse and amaze you, stimulate and entertain you ... with a dazzling array of today's top writers, illustrators and comic artists. You just gotta see it to believe it!

"Call me Shang-Chi, as my **father** did, when he raised me and molded my mind and my body in the vacuum of his Honan, China retreat. I learned many things from my father. Since then, I have learned that my father is **Dr. Fu Manchu**, the most insidiously evil man on earth...and that to **honor** him would bring nothing but **dishonor** to the spirit of my **name**.

"I know why Ken likes to shoot Daisy B-B guns with me. He's a better shot than I am! And I like shooting with him simply because it gives us an opportunity to spend some time together.

Sometimes we set up targets down in the basement. Or else we'll get out in the backyard by ourselves pinking away, and talking. I've found it's a terrific way for a father and son to get to know each other better.

At the same time, I think it's helping Ken develop a sense of responsibility, as well as confidence in himself through his own achievements. And that's important at any age."

MISSIVES TO THE MASTER!

c/o MARVEL COMICS GROUP, 575 MADISON AVE. N.Y.C. 10022

This time, a sampling of your initial reactions to MASTER OF KUNG FU's new penciler, that tremendous Torontoan Jim Craig. . .

Dear Doug & Jim,

Whoosh. . .whatta comic! #54 was great. While Shang-Chi seems to have put on a little weight, the art was generally good and the action shots, in particular, were excellent. I also liked the layouts—very imaginative.

The story, of course, was superb. Too bad we have to wait for a future issue before learning where Leiko is, though. But suspense is always like that: pleasurable because it's so painful.

You know, I really had a feeling that the record Shang-Chi selected would be Fleetwood Mac, and I'm glad you've given Chi such good taste in Western music.

Well, Doug and Jim, keep up the good work, because I'm counting on you. . .

James C. LeRoy

P.O. Box 723

Centre Harbor, N.H. 03226

Dear Doug,

I'm glad to hear that you, Paul Gulacy, and MASTER OF KUNG FU itself did so well in those awards. Until a year or so ago, I'd always believed MOKF to be one of the many also-rans. But after reading "Cat" and "Fight Without Pity," I've had to grudgingly admit that it's one of the best titles to appear since a certain Cimmerian copped his own book seven years ago.

As for the last half-dozen issues, MOKF has consistently upheld a high standard of quality previously equaled only by Jim Starlin's WARLOCK and The McGregor/Russell WAR OF THE WORLDS, both of which were killed at their zeniths. Why is it that so very few of the "thinking man's comics" SILVER SURFER, WARLOCK, WAR OF THE WORLDS, McGregor's BLACK PANTHER, MAN-THING and several others) manage to succeed on a commercial level? I suppose we'll never know, but thank God for MASTER OF KUNG FU. With stories like "The Affair of the Agent Who Died," "The Dreamslayer," and "The Story of War-Yore," I'll be buying this book till the day I die—or until the day I see that little yellow box telling me of its demise, which is when I cut all my comics buying by 75% in sheer protest.

Thanks for the slice of comic relief, courtesy of Rufus T. Hackstaber and Quigley J. Warmflash; after all the seriousness of the Fu Manchu opus, something in a lighter vein was most welcome.

The latest issue—"The Story of War-Yore"—was extremely good, returning us to the realm of mood and intensity we've come to expect. While I certainly regret Paul Gulacy's departure from the strip, Jim Craig surprised me—and favorably so. If he keeps improving. . .

Finally, the sequence with Shang-Chi and the Fleetwood Mac album (fine music, incidentally) was a nice touch and added a good deal of realism to an already highly realistic series.

Bill Sundling

309 Wis. Ave.

Gladstone, Michigan 49837

Doug heartily agrees with your assessment of Fleetwood Mac, Bill, and is even now thriving on the group's latest release, "Rumours," claiming it's the first time he's been this excited about music since the Beatles, Who, Hendrix, and Traffic. Indeed, the formerly Devil-May-Care lad has been

muttering that ROCKY, Fleetwood Mac, and the Coming of Spring are the only things that have kept him going these past few months. Thank Hieronymous for creativity and inspiration in all its forms. . .

As for Jim Craig, he's too busy for anything but the monumental task of grappling with a new reality. It's called: A Monthly Schedule.

Dear Doug and Jim,

I was certainly surprised, and even hurt, when Paul Gulacy left MASTER OF KUNG FU. Indeed, I was filled with apprehension and seriously doubted that the gigantic shoes left by Paul could be filled by anyone—even someone from the Marvel Bullpen. It seemed to me that the book's future was in grave jeopardy.

So you can imagine my surprise when I first saw Jim Craig's art. It was excellent. The mood captured the same feeling that Paul had long since established for this series—mysterious, yet with the emotions of each individual character coming through strongly, each expressing himself/herself in identifiable terms. My greatest hopes have been surpassed. Jim's art is fantastic, so please don't lose him.

The writing, as usual, was up to its own self-set goal. I especially appreciate the new directions along which the storyline seems to be moving. After the Fu Manchu saga, I would not have believed that a tale as excellent as "The Story of War-Yore" could be produced. Yet, as with Jim Craig's art, Doug's writing has also been a pleasant surprise—although being surprised by Doug is not so surprising anymore; I'm beginning to expect it. The villain War-Yore was developed perfectly, and the stage has been set for even better possibilities.

It seems the wonders of MASTER OF KUNG FU never cease.

Tom Likens

R.R. #1 Box 306

Chrisney, Ind. 47611

Not does the delight of receiving letters like yours. Sorry to liken matters in that way, Tom, but at the moment we're a little too weak to resist. . .

Dear Doug and Jim,

MOKF #54 was more than I ever could've asked for. As usual, the story was great, but it's the art I'd really like to comment on. You see, I was afraid MOKF would go straight downhill after Paul left (artwise, that is), but you miracle-workers at Marvel have just proved me wrong again. Jim Craig's artwork comes closer to capturing the established style of MOKF than any other artist, excluding Paul, could hope to reach. I still suspect that Gulacy will remain at the top of my all-time favorite artists, but Jim Craig will not be far behind.

Make Mine MASTER OF KUNG FU!

Brad Scudder

2137 N. 159th

Jim and Paul both thank you, Brad, and since Doug noticed that you live in Seattle he was wondering if you happened to see Godzilla passing through your neighborhood not too long ago. Seems he's temporarily lost track of the Jolly Green Gi—er, big fellow.

NEXT ISSUE: Doug teams up with Mike Zeck for the first half of a stunningly special two-parter. And it really is a mind-blower, take it from us (one that Staranko fans particularly, will not want to miss), really. Jim Craig will be working ahead in the meantime, launching yet another new direction for our peripatetic cast of characters, and striving in general to eliminate any further continuity upheavels. Eternal optimists that we are, we must repeat again: The best is yet to come.

Until it gets here. . .be good.

WHAT TO SINK YOUR TEETH INTO WHEN YOU'RE HUNGRY AND YOU'RE NOT A WEREWOLF

Every now and then, do you get this uncontrollable urge to bite into something that's really got some meat in it?

Are you tired of sugar-sweet snacks that dissolve in your mouth, and crunchy snacks that you can hardly tell you ate, and all the other boring stuff you have to put up with, every day?

Well, take heart. And, while you're at it, take Slim Jim along in your pocket.

Slim Jim is a chewy, all-meat snack that comes in five very un-boring flavors. Mild, spicy, salami, bacon, and pizza. And you can find it at the grocery store. Or at a lot of the places where you've been getting those sissy snacks.

You might want to carry a few extra ones, too. Then, if you meet a werewolf, you can give him something to sink his teeth into instead of you.

A LITTLE LESS THAN A MEAL. A LITTLE MORE THAN A SNACK.

STAN LEE'S SOAPBOX

Stop the presses! We just changed the title of our next great "Origins" book! Instead of THE SUPER WOMEN, it will be called THE SUPERHERO WOMEN when it explodes like a literary bombshell in bookstores everywhere sometime in October! We probably had a sensational reason for changing the title to THE SUPERHERO WOMEN, and I'd like to tell you what it was—except I forgot! Anyway, I'll tell you the contents next ish; for now, I just wanted to make sure that you're not spending all your spare time trying to remember the wrong title! Incidentally, if there's a Marvel fan anywhere whom I haven't met at some zingy Con or other, here's your chance to remedy that grievous situation. I'm scheduled to appear at the great new Chicago Con on August 6th, and the Houston Con on August 18th. If you're in the neighborhood, drop in and say hello. You know how shy I am—I need all the support I can get. Hey! Don't let me forget another big item! Our great new 1978 calendar goes on sale the end of August! This is the vooziest one of all, 'cause it's one huge Spider-Man Calendar! Yep, the whole blamed thing is a towering tribute to the world's most popular super-hero—and it'll be on sale in bookstores everywhere! And how's this for a block-busting announcement? The great new live-action CBS-TV prime-time Spider-Man made-for-television movie should be premiering some time in September. Watch for the announcements in your local newspaper. But even if you miss the paper, don't worry—the whole town'll be talking about it! And just wait! I'll tell you—in future issues—about the whole kaboodle of Marvel movies which Universal Pictures is working on right now! And finally, while you're writing to your local newspaper, telling 'em you can't wait for Howard the Duck, here's a little something to keep you busy. See if you can figure out what PIZZAZZ is—and guess who's publishing it! (Aww, someone must've given you a hint!) More info later—we've gotta keep some surprises for next month! But now, as we tearfully bid each other an emotion-drenched adieu, let us always remember those immortal words of Irving Forbush: "Hey, Les, shaddup awreddy and let's get to the good stuff!" Or, as the Hulk would probably say: "Qui'z excuse a' accusin'!"

Excelsior!

Hey, like it? It's gonna be our new trade mark!

ITEM! Let's start by rolling out the welcome mat for Rambling RICK PARKER, late of the sunshine state of Florida, who has just become the latest recruit to the Bullpen's legion of lettering correctionists. (Yes, hard as it is to believe, even our laudable letterers and winning writers make occasional mistakes.) Rick also promises to be a worthy addition to the Merry Marvel Softball Team, which is about to leap into league action once again (more of that at a later date). Also joining our sterling staff is Slim JIM SALICRUP. Actually, re-joining would be more correct—as Jim did a sizeable stretch in our British Reprint Department, until he was wooed away to labor in the corporate corridors of the monolithic Mad Genius Associates (otherwise known as Steve Gerber, Dave Kraft, and whoever happens to be in the office with them at any given moment). Now, Mr. Salicrup is back to take over the editing of our American reprint books. Good to have you with us again, Jim!

ITEM! As long as we're being effusive, let's also congratulate ROGER "Stern" STERN and Gentle JO DUFFY, editorial experts extraordinaire, on their recent promotions higher into the hierarchy of our color comics editorial department, as a result of ROGER SLIFER's move up to helm our black-and-white comic mags (which we reported on last month). And, though they technically haven't had any kind of promotion, we should also mention Energetic ED HANNIGAN and Reliable RALPH MACCHIO, because they sometimes proofread this column, and we wouldn't want any mizzteaks to creep in just becauz of hert feelligz.

ITEM! Now that your who's-working-er-which job scorecard is brought up to date, we can fill you in on some of the pulsating projects the folks mentioned above—along with myriad other of our titanic talents—have readied for your enjoyment this late summer season. Like, for instance, the second of our Marvel Movie Specials, THE DEEP. Editor ROGER SLIFER has teamed writer DOUG MOENCH, whose PLANET OF THE APES adaptations are still drawing praise, with illustrator CARMINE INFANTINO (this distinct approach to underwater action in this project has us all wondering if perhaps this isn't the perfect guy to bring Prince Narnor, the savage SUB-MARINER, back in his own series) on this all-stops-out adaptation of the motion picture adventure based on PETER "Jaws" BENCHLEY's best selling novel. It's all here, just like in the blockbuster Columbia film—the shipwreck, the dive for sunken treasure, the school of sharks in their feeding frenzy, and the ever-mounting menace of the giant eel! We've done this one up in a double-length color comic package to give it to you complete in one issue. THE DEEP will be waiting for you this month at your local newsstand. Don't miss it. It's a big one!

ITEM! BUT THE DEEP is not the only double-length book aimed your way this August. Our King-Size Summer Annuals are still coming out in force. There's the INCREDIBLE HULK, piloted and plotted by the Lively One himself, LEN WEIN, scripted by DAVE "The Dude" KRAFT, and illustrated by Happy HERB TRIMPE (who, with his art chores on our new GODZILLA comic, as well as his long-time association with the

Hulk, may just about have the greenskin market sewn up tight); then, there's the FANTASTIC FOUR ANNUAL in which MARV WOLFFMAN and KEITH POLLARD, writer and artist respectively, ingeniously pit the World's Greatest Comics Team against not only the uncanny Inhumans, but against the Gong Show as well; and finally, there's Stellar JIM STARLIN's awesome AVENGERS ANNUAL which guest-stars Captain Marvel and Warlock and cosmically chronicles Earth's Mightiest Heroes' epic struggle against the mad Titan, Thanos. In fact, so epic is this struggle that the second part of it will be presented in the TWO-IN-ONE ANNUAL (on sale in September) and involve Spider-

Man and the ever-lovin' blue-eyed Thing! So, that's four to watch for, but if you want more (plus an end to this doggerel), we may point out that August also holds two Marvel Classics, KIDNAPPED and PIT AND THE PENDULUM; two of our cooperative efforts with the happy folks of Hanna-Barbera, YOGI BEAR and DYNOWUTT; and, lastly but decidedly not leastly, two new issues of black-and-white magazine favorites, THE RAMPAGING HULK and SAVAGE SWORD OF CONAN. If you need help shortening the long, hot summer, these Bullpen bonuses may be just what you want!

We hate to close the page on a solemn note, but by now you've been hit with the hard fact that the price of our regular color comics has risen to thirty-five cents and our double-length books have gone up to sixty cents. Naturally, we owe you an explanation. Unfortunately, if you've had to buy a candy bar, a paperback book, or— heaven forbid— a pound of coffee, the answer is already obvious. Ever-spiraling costs; ever-mounting inflation. Once again we've been faced with rising printing, engraving, and paper prices, and once again we've reached the point where we're forced to make our prices reflect those new costs. We're sorry. We've tried to hold the line as long as possible, and we succeeded in doing it several months longer than any of our competitors. We hope that's helped a little. Your loyalty and support in the past made us the number one comic book company, and we appreciate it greatly. Now, we're going to be working all the harder to keep that loyalty and support, to produce the very best possible comics available... at any price. And that's a promise, pal.

"DAMN. MY BREATH HAS RETURNED...AND LEIKO LIVES."

ALL RIGHT, MOVE ALONG--KEEP MOVING.

BUT YOU DO BELIEVE ME, DON'T YOU? I WASN'T BEHIND THIS PLOT TO MURDER YOU. I COULDN'T MURDER YOU, ANY OF YOU, I DIDN'T EVEN KNOW ABOUT IT.

AT THIS POINT, NAYLAND, I REALLY DON'T CARE IF YOU WERE BEHIND IT. IT DOESN'T MATTER--NOT AS LONG AS YOU STICK WITH ME--

--AND CONTINUE TO BE A PART OF SOMETHING THAT COULD CONCEIVE SUCH A PLOT.

BUT CLIVE, I SWEAR TO YOU, I HAD NOTHING TO DO WITH IT! YOU MUST BELIEVE ME--FOR GOD'S SAKE!

EASY, SIR DENIS, YOU'RE TIRED...

AN' LISTEN-- I BELIEVE YA.

AND IT DOES MATTER TO ME. COME ON, I'LL TAKE YOU BACK IN ONE OF THE CHOPPERS.

POOR MAN... BOTH OF THEM.

I HOPE YOU TWO ARE SATISFIED WITH YOURSELVES-- BREAKING MAYLAND SMITH LIKE THAT--AND KILLING WAR-YORE.

YOU WERE A FOOL, SHANG-CHI. THERE WAS NO NEED TO ATTACK HIM.

AND YOU, CLIVE-- BREAKING IN LIKE THAT, SNAPPING OFF A SHOT WITHOUT EVEN ASKING A SINGLE QUESTION!

"I UNDERSTAND. NOW, WHY SHE HAS BEEN SO QUIET."

"BUT WHY SHOULD SHE --

AND FURTHER-- MORE, SHANG-CHI, I'M NOT "YOUR WOMAN"...

...NOR AM I YOURS, CLIVE-- AND DON'T YOU FORGET IT!

NOW WAIT A MINUTE, DARLIN', I--

NO, I WON'T WAIT! I'M THROUGH WAITING! I'M NOT ANYONE'S WOMAN --

"--??

--AND RIGHT NOW--

-- I DON'T THINK I WANT TO BE!

HEY! WHAT'D I DO WRONG?

"INDEED, WHAT DID SHE EXPECT? AND WHY DID I NOT KNOW SHE WOULD EXPECT IT, UNLESS I DO NOT TRULY KNOW...NER?"

The secret of teaching yourself music

Why keep depriving yourself of the thrill of making your own music?

Here's a pleasant way to learn at home in spare time. You play simple, familiar tunes right from the start, then more advanced compositions.

Choose piano, guitar or spinet organ.

No gimmicks—you learn to read notes, play regular sheet music.

It really works! Thousands now play who never could.

It may seem odd at first — the idea of teaching yourself music. You might think you need a private teacher at \$4 to \$10 per hour to stand beside you and explain everything you should do — and to tell you when you've made a mistake.

But surprising as it seems, you need no such thing. Thousands of people just like you have taught themselves to play with the U.S. School of Music courses. By mail. And you can too.

With our lessons, you learn to play the right way — by note from regular sheet music. Without any gadgetry or gimmickry. And all it costs you is just pennies a day.

You don't need any previous musical training. Our lessons start you off "from scratch" with clear word-and-picture instructions. A lot of the songs you practice first are simple tunes you've heard many times. And since you already know how these tunes are supposed to sound, you can tell immediately when you've "got them right."

Then you go on to more advanced pieces. By this time you can tell if your notes and timing are right, even without ever having heard the songs before. Sooner than you might think possible, you'll be able to play whatever kind of music you like. Folk. Popular. Classical. Show and dance tunes. Hymns.

You learn in your spare time, in the privacy and comfort of your own home. There's no one standing over you to make you nervous. And because you teach yourself, you can set your own pace. You're free to spend as much time mastering any lesson as you wish.

How effective are the lessons? Ask Jeffrey Livingston of York, Pa. "I thought the organ course was excellent," he writes. "I knew almost nothing about playing an instrument before I enrolled. Now I can play not only the organ, but the piano too. My new music ability has enabled me to play at churches and

small conventions. I am even considering making music my career."

And, Cecelia Feeney of Vineland, N.J. reports: "It's like a dream come true. Knowing how to play and read music has given me new self-confidence."

If you've ever dreamed of being able to play the piano, the guitar, or the spinet organ, why not learn more about our convenient, economical way to learn? Send for our free booklet *Be Your Own Music Teacher*. With it we'll include a free "Note-Finder." There's no obligation. Just mail the coupon to the U.S. SCHOOL OF MUSIC, A Home Study School Since 1898, 417 South Dearborn Street, Chicago, Illinois 60605.
